

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Brewster	Rural	Hwy 173 (Bridge Street) Renovation	Add curbs, sidewalks and storm drains from Hwy 173 Columbia River to Intersection Hwy 173 and bridge.
Brewster	Rural	1st Street Reconstruct	Pre-level, reconstruct, 2" overlay, add curbs, sidewalks and storm drains from Indian Avenue East to Douglas Avenue.
Brewster	Rural	3rd Street Chip Seal	Crack seal, cutout, patch and chip seal from Jay Ave and 3rd St. to Hansen Ave and 3rd St.
Brewster	Rural	Plaza Way Reconstruct	Pre-level, reconstruct, 2" overlay from SR 97 to Virginia Place.
Brewster	Rural	Riverview Heights Rd Construction	New construction from Paradise Hill Rd to Fately residence.
Brewster	Rural	6th Street Reconstruct	Pre-level, cutout, patch, reconstruct, 2" overlay, add curbs, sidewalks and storm drains.
Brewster	Rural	Reservoir Hill Road New Construction	New construction from Hospital Way to Lower Water Reservoirs.
Brewster	Rural	Ferry Avenue	Cutout, patch, reconstruction, pre-level, 2" overlay from 1st Street to 4th Street.
Bridgeport	Rural	Hwy 173 Sidewalk/Final Phase Foster Creek Avenue	Construct sidewalk on the North side of Foster Creek Avenue and curb on the south side from 21st Street to 27th Street on Foster Creek Avenue for a continuous sidewalk from 10th Street to 27th Street.
Bridgeport	Rural	Columbia Avenue Sidewalk	Construct sidewalk on the north side of Columbia Avenue from 10th Street to 4th Street.
Bridgeport	Rural	Tacoma Avenue Resurface	Resurface 5 blocks of Tacoma Avenue from 14th Street to 19th Street.
Bridgeport	Rural	22nd Street Seal Coat	Seal coat 750 ft of 22nd Street from Raymond Avenue to Fisk Avenue.
Bridgeport	Rural	Raymond Avenue Seal Coat	Seal coat 832 feet Raymond Avenue from 20th Street to 22nd Street.
Cashmere	Rural	Angier Street Bridge	Remove and replace existing channel beam bridge with prestressed concrete bridge at existing location.
Cashmere	Rural	Woodring Street Preservation and Improvements	2 inch asphalt overlay, repair curb and gutter and add sidewalk where needed, between Cottage Avenue and Riverside Drive.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Cashmere	Rural	River Street Preservation and Improvements	2 inch asphalt overlay, ADA sidewalk improvements, from Aplets Way to Sunset Highway.
Cashmere	Rural	Chapel Street Preservation and Improvements	Reconstruct bridge
Cashmere	Rural	Chase Avenue Preservation and Improvements	3 inch asphalt overlay, repair drainage system from Olive Street to Cedar Street.
Cashmere	Rural	South Douglas Street Preservation and Improvements	3.5 asphalt overlay, sidewalk on one side, curb and gutter from South Douglas Street to Parkhill Street.
Cashmere	Rural	Mission Avenue Reconstruction	Remove and replace ACP, install curb and gutter, and storm water system, construct retaining wall and install landscaping from Aplets Way to East Parkhill Street.
Cashmere	Rural	Sunset Highway & Mission Creek Bridge	Reconstruct bridge
Chelan County	Rural	McEldowney Intersection Improvement	Realign the intersection of McEldowney Road with West Malaga Road to allow for large truck turning movements.
Chelan County	Rural	County Overlay Program	ACP overlay of various county roads consistent with annual budget.
Chelan County	Rural	Old Blewett Bridge #1 Replacement	Remove and replace the Old Blewett #1 Bridge, No. 324.
Chelan County	Rural	American Fruit Road Improvement	Improve vertical alignment, widen, grade drain, add base and top course, and pave with HMA.
Chelan County	Urban	Upper Squilchuck Road	Minor widening, add base and top course, and pave with HMA. Federal funding from Western Federal Lands and STP (R)
Chelan County	Rural	Chiwawa Loop III	Widen, grade, drain, add base and top course, and pave with HMA.
Chelan County	Rural	Union Valley Road	Widen, grade, drain, add base and top course, and pave with HMA.
Chelan County	Rural	West Cashmere Bridge	Remove and replace the West Cashmere Bridge.
Chelan County	Rural	Eagle Creek II	Widen, minor horizontal realignment, grade, drain, add base and top course, and pave with HMA.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Chelan County	Rural	Totem Pole Road Improvement	Grind, pave, and widen road, install sidewalks, and improve drainage. Drainage improvements will extend down Harris Avenue to Lake Chelan.
Chelan County	Rural	Manson Downtown Business District	Installing sidewalk, ramps, and storm water drainage improvements.
Chelan County	Rural	Ivan Morse Road	Improving curve alignment.
Chelan County	Rural	Howser Road	Grind and overlay.
Chelan County	Rural	Derby Canyon/Larson Road Intersection Improvement	Realign the intersection of Derby Canyon Road and Larson Road.
Chelan County	Rural	Peters Street Widening	Minor widening of street.
Chelan County	Rural	Summit Boulevard Improvements	Grind, pave, widen road, and improve drainage.
Chelan County	Rural	Anderson Road Improvements	Grind, pave, and widen road, install sidewalks, and improve drainage.
Chelan County	Rural	Easy Street/Peters Street Intersection Improvement	Improve intersection geometry and install luminaries and traffic signal.
Chelan County	Urban	Walnut Street	Widen, construct sidewalks, grade, drain, add base and top course, and pave with HMA.
Chelan County	Rural	Penny Road/Euclid Avenue Illumination and Sidewalks	Construct wide walks and install illumination along Penny Road and Euclid Avenue.
City of Chelan	Rural	Chelan River Bridge	Rehab of bridge deck and sidewalks from south end of bridge to north end of bridge.
City of Chelan	Rural	Woodin Avenue Bridge Approach	Redesign bridge approaches from north approach to south approach.
City of Chelan	Rural	Bradley Street Pedestrian Improvements	Provide pedestrian crossing improvements, curb, gutter, sidewalks and crossings.
City of Chelan	Rural	Webster Avenue (SR 97A), Woodin Avenue intersection SR 97A	Restripe intersection and add signage on Woodin Avenue.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
City of Chelan	Rural	Sanders Street/Woodin Avenue intersection (SR 97A/SR150 SR 97A/SR 150)	Upgrade traffic signal and restripe intersection adding turn lanes.
City of Chelan	Rural	Woodin Avenue and Columbia Street intersection Woodin Avenue	Rechannalization of intersection adding median refuge striping and signage.
Condonully	Rural	North A Avenue	2 inch hot mix asphalt overlay from Broadway to Lake Street
Condonully	Rural	North B Avenue	2 inch hot mix asphalt overlay from Broadway to Lake Street
Condonully	Rural	East Broadway and C Avenue North	Chip seal from Main Street to Lake Street
Condonully	Rural	North Esther Avenue	2 inch hot mix asphalt overlay and sub-grade work from Broadway to Silver Street
Condonully	Rural	West LA-Una Street	Double shot, chip seal from Main Street to Bernice Avenue
Condonully	Rural	West Broadway Street	Complete re-build with walk path, drainage work, etc. from Main Street to west city limits.
Condonully	Rural	North Bernice Avenue	2 inch overlay with some patch work from La-Una Street to Silver Street
Condonully	Rural	West Silver Street	Complete re-build with walk path, drainage work, etc. from Main Street to city limits.
Douglas County	Rural	Coulee Meadows/Moses Coulee Road	Reconstruct surface and base, as well as minor widening.
Douglas County	Urban	Eastmont Avenue Extension- Eastmont Avenue to SR 28 and US 2	Construct Eastmont Avenue extension from milepost 2.29 of Eastmont Avenueto the intersection of SR 28/US 2.
Douglas County	Rural	Beaver Creek Bridge (Breiler)	19 foot span bridge replacement project.
Douglas County	Rural	Sprauer Road - Road 7 NW to Road K NW	Reconstruct Sprauer Road from Brown's Canyon Road to Road K NW.
Douglas County	Rural	Chief Joseph Bridge Replacement	From .52 to .58

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Douglas County	Urban	Badger Mountain Road	Slide Repair from 2.85 to 2.96
Douglas County	Urban	Fancher Field Road	from .7 to 1.48
Douglas County	Urban	Rock Island Road	Widening project from East Wenatchee city limits to Eller Street.
Douglas County	Urban	N Baker Avenue - 15th Street NE to 20th Street NE	Major widening and safety/traffic operation improvement for Baker Avenue from MP 0.75 to 1.34.
Douglas County	Urban	N Baker Avenue - 20th Street NE to 23rd Street NE	Major widening and safety/traffic operation improvement for Baker Avenue from MP 1.34 to 1.75.
Douglas County	Urban	Cascade Ave NW - 19th Street to Olds Station Bridge Road	Widening and safety improvements for Cascade Avenue NW from 19th Street NW to Olds Station Bridge Road.
Douglas County	Urban	Feil Place-Canal Crossing	Bridge replacement on Feil Place at MP 0.38.
Douglas County	Urban	Grant Rd/S VanWell intersection safety improvement	Intersection reconstruction project
Douglas County	Urban	Grant Road Realignment	Road realignment project starting at N. Quincy Avenue and ending at Airport Way.
Douglas County	Urban	S VanWell Ave./4th St SE intersection safety improvement	Intersection reconstruction project
Douglas County	Rural	Palisades Road - Wagon Road to Grant County Line	Conversion to paved surface from 15.88 to 18.53
Douglas County	Rural	Crane Orchard Rd - Central Ferry Canyon Rd to Hill Crest Drive	Reconstruction
Douglas County	Rural & Urban	Various Urban and Rural Spot Safety Improvements	Spot Safety Improvements
Douglas County	Rural	Various County-Wide Overlays	overlays

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Douglas County	Urban	NW Empire Ave. - 27th Street NW to 35th Street NW	from .81 to 1.82
Douglas County	Rural	Badger Mountain Road	Reconstruction from 9.1 to 19.2
Douglas County	Rural	Badger Mountain Road - Bottom of McGinnis to Waterville South Rd	Resurfacing, realignment and storm water control.
Douglas County	Rural	Bench Road Study	Study Port to Port
Douglas County	Rural	McNeil Canyon Road	Top of grade to SR 172
Douglas County	Urban	12th Street SE Improvement - 10th Street SE to S Ward Avenue	Widening, realignment and reconstruction of the existing road.
Douglas County	Urban	Cascade Interchange -35th St NW to 38th St NW	Connect Cascade Ave. to SR 2 as well as NW Empire Avenue
Douglas County	Rural	Various County-Wide Rehabilitation	Reworking or recycling existing structural sections including the widening of shoulders.
East Wenatchee	Urban	Eastmont Avenue Reconstruction Stage 1	Full reconstruction project: center left turn lane, curb, gutter and sidewalk, stormwater conveyance and street illumination from Grant Road to 3rd Street.
East Wenatchee	Urban	Eastmont Avenue Reconstruction Stage 2	Full reconstruction project: center left turn lane, curb, gutter and sidewalk, storm water conveyance and street illumination from 3rd Street to 9th Street.
East Wenatchee	Urban	9th Street Preservation Project	Asphalt preservation project. Crack seal and pre-leveling followed by slurry seal from Valley Mall Parkway to Eastmont Avenue.
East Wenatchee	Urban	15th Street Preservation Project	Grind and overlay with asphalt from Eastmont Avenue to Baker Avenue.
East Wenatchee	Urban	Valley Mall Parkway Preservation Project	Asphalt preservation project. Crack seal and pre-leveling followed by slurry seal from 9th Street NE to Grant Road.
East Wenatchee	Urban	Rock Island Road and 3rd Street SE signal project	4-leg signal installation project from Rock Island Road to 3rd Street SE.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
East Wenatchee	Urban	Highline Drive Overlay and Sidewalk Installation	Grind and inlay asphalt from Grant Road to 3rd Street SE, small section of sidewalk installed between 1st SE and Simon Street.
East Wenatchee	Urban	10th Street NE Reconstruction Project	Full reconstruction project: center left turn lane, curb, gutter and sidewalk, stormwater conveyance and street illumination from Eastmont Avenue to Kentucky Avenue.
East Wenatchee	Urban	Grover Avenue Sidewalk and Drainage Project	Sidewalk and stormwater conveyance from Clarissa Lane to 12th Street NE.
East Wenatchee	Urban	Highline Drive and 3rd Street SE signal project	4-leg signal installation project from Highline Drive to 3rd Street SE.
East Wenatchee	Urban	19th Street Reconstruction Project	Full reconstruction project: center turn lane, curb, gutter and sidewalk, stormwater conveyance and street illumination from Baker Avenue to Eastmont Avenue.
East Wenatchee	Urban	Eastmont Preservation Project	Asphalt preservation project, type not yet determined, based on target year, age and condition of asphalt from 9th Street NE to 15th Street NE.
East Wenatchee	Urban	Baker Avenue Reconstruction	Full reconstruction project: center left turn lane, curb, gutter and sidewalk, storm water conveyance and street illumination from 15th Street NE to Sand Canyon/20th Street NE. Fish passage at Sand Canyon.
East Wenatchee	Urban	9th Street Signal Project	4-leg signal installation project to replace the existing 4-way stop from 9th Street NE to Valley Mall Parkway.
East Wenatchee	Urban	Pedestrian Safety Project	Provide sidewalks, crosswalks, signal modifications and other pedestrian facilities.
Elmer City	Rural	Various Roads	Patch and repair
Elmer City	Rural	View Terrace	Overlay
Elmer City	Rural	Hill Street	Overlay
Elmer City	Rural	Upper Seaton Avenue	Overlay
Elmer City	Rural	Highland	Repair

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Elmer City	Rural	Canyon Street	Chip Seal
Entiat	Rural	Entiat North Gateway Improvements	Entry feature at north city limit from milepost 217.14 to 217.15 on SR 97A.
Entiat	Rural	SR 97A, Lakeshore to Stoneridge	Streetscape transition into city center from the north; channelization, median, pedestrian upgrades from 215.52 to 216.43.
Entiat	Rural	SR 97A, Stoneridge	Streetscape transition into city from the north city limit; traffic calming, pedestrian upgrades from mile post 216.43 to 217.14.
Entiat	Rural	Lakefront Pathway Extension	Mixed use trail along Lake Entiat.
Entiat	Rural	Park and Bike-Ride Restroom and Parking Facility	Expand and add restroom/changing facility to an existing Link Transit park and ride facility.
Entiat	Rural	Lakeshore Drive Extension	Extend Lakeshore Drive to 1000 feet beyond proposed marina from SR 97A to 1000 feet north of proposed marina.
Entiat	Rural	Hagen Street, Entiat Way to 2nd Avenue	Street reconstruction with sidewalks one side from Entiat Way to 2nd Avenue.
Entiat	Rural	SR 97A/Hagen Street Intersection Reconfiguration	Safety enhancement mitigation of vehicle conflicts from mile post 214.30 to 214.50.
Entiat	Rural	SR 97A, Entiat Park Entry Improvements	Intersection enhancement, right turn lane, railroad and pedestrian warning systems from mile post 214.70 to 214.90.
Entiat	Rural	SR 97A, Entiat River to Shearson	Streetscape transition into city from south from mile post 214.20 to 214.80.
Entiat	Rural	SR 97A, Shearson to Lakeshore	Streetscape with median, channelization, multi-modal facilities from mile post 214.80 to 215.55.
Entiat	Rural	Crack Seal	Seal cracks on Shamel, Shearson, Lakeshore Drive, Rothrock and Hyland.
Entiat	Rural	Crack Seal #2	Seal cracks on Kinzel, Hedding and Dun.
Entiat	Rural	Lakeshore Roundabout and Waterfront Access	Construct roundabout at SR 97A and Entiat Way intersection from mile post 215.50 to 215.70.
Entiat	Rural	Cammack Street Crack Seal and Overlay	Seal cracks and overlay from SR 97A to 600 feet north.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Entiat	Rural	River Park Drive Crack Seal and Overlay	Seal cracks and overlay from SR 97A to end.
Entiat	Rural	Vradenburg Street Crack Seal and Overlay	Seal cracks and overlay from Howe Street to end.
Entiat	Rural	Entiat River Trail and Outdoor Learning Center	The Entiat River Trail would provide 2100 feet of paved ADA accessible trail. Outdoor Learning Center will provide an amphitheater teaching area, restrooms, a covered shelter, and a paved parking area.
Entiat	Rural	Auvil Road Crack Seal and Overlay	Seal cracks and overlay from east side of Auvil to Hyland walkway.
Leavenworth	Rural	SR 2 Parking Lot/Transit	Construct parking lot and transit location.
Leavenworth	Rural	Front Street Reconstruction	Reconstruct road, sidewalks, illumination, storm sewer, watermain replacement from Division Street to 14th Street.
Leavenworth	Rural	Division Street Reconstruction	Reconstruct road, sidewalks, curb and gutter, street illumination from Front Street to 200 ft. south of Commercial.
Leavenworth	Rural	Residential Street Restoration Program	Asphalt overlay
Leavenworth	Rural	Residential Sidewalk Restoration Program	Construct or repair sidewalks and improve ADA accessibility.
Leavenworth	Rural	Icicle Station Phase 2	Planning, engineering and construction
Leavenworth	Rural	Ski Hill Drive, Highway 2 to Pine	Street reconstruction, sidewalks, storm drainage, water line.
Leavenworth	Rural	Pine Street, Ski Hill Drive to Fir Street	Street reconstruction, sidewalks, storm drain, water line.
Leavenworth	Rural	Commercial Street Reconstruction	Reconstruct road, sidewalks, illumination, storm sewer, watermain replacement from 3rd to 8th.
Leavenworth	Rural	SR 2 Bridge Lighting	Replace street lights.
Leavenworth	Rural	Titus to Chumstick Connector	New roadway construction. Right of way donation from Titus Road to Chumstick Highway.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Leavenworth	Rural	Pine Street Extension	Alignment study for right of way requirements and project estimates from Fir Street to Chumstick Highway.
Leavenworth	Rural	Leavenworth to Wenatchee River Trail Project Phase 1	Parking lot and trail construction from vicinity Alpensee Strassee and SR 2 to west approach Chumstick Creek crossing. Right of way donation.
Leavenworth	Rural	SR 2 Pedestrian Underpass	Pedestrian underpass viability assessment. Right of way needs determination. Constructability, and cost estimates.
Leavenworth	Rural	South Wenatchee River Trail Project	South Wenatchee River Trail Project Phase 1. Does not include internal trail system on island. Right of wayby donation.
Leavenworth	Rural	Traffic Calming Various Locations	Install traffic calming features at various locations to improve safety and promote non-motorized traffic.
Leavenworth	Rural	US 2 Signal Improvements (Adaptive Management)	Signal upgrades including installation of cameras and linking of signals. WSDOT sponsored.
Leavenworth	Rural	13th Street to the Leavenworth to Wenatchee Trail Phase 1	Provide trail connection from existing trail vicinity of 13th Street and Commercial Street to beginning of Leavenworth to Wenatchee Trail.
Leavenworth	Rural	US 2 Preliminary Design Study	Study of all projects identified as State Highway Projects in Leavenworth's 2009 Comprehensive Transportation Plan. Study ways to improve safety and congestion on SR 2 through Leavenworth. WSDOT sponsored.
Leavenworth	Rural	US 2 Wenatchee River Bridge Cantilevered Sidewalks	Construct cantilevered sidewalks on both sides of SR 2, Wenatchee River Bridge to provide wider sidewalks.
Link Transit	Urban/Rural	Preventative Maintenance	
Link Transit	Urban	Replace 5 full size diesel buses with 5 smaller battery electric buses	
Link Transit	Urban	Acquire one 40' battery electric coach	Prototype
Link Transit	Urban	Replace roof at Columbia Station Bus Terminal	
Link Transit	Urban/Rural	Special Needs	

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Link Transit	Urban/Rural	Replace 7 Cut-a-ways	
Link Transit	Urban	Replace HVAC system at Columbia Station Bus Terminal	
Link Transit	Urban/Rural	Replace 3 full size buses	
Link Transit	Urban/Rural	Replace 2 trolleys	
Link Transit	Urban/Rural	2 electric trolleys	2011 Earmark - request has been listed in bill
Link Transit	Urban	Parking/transfer center parking garage	East Wenatchee Mall
Link Transit	Urban/Rural	Paratransit scheduling software	
Link Transit	Urban	Emergency backup generator	
Link Transit	Urban/Rural	Shelter improvements	
Link Transit	Urban/Rural	Lighted Crosswalk Improvements	
Link Transit	Urban/Rural	Maintenance Facility Expansion	
Link Transit	Rural	Lake Wenatchee to Leavenworth Service	To provide operating funding assistance to sustain dial-a-ride shuttle transportation services to the general public and persons with special needs between Leavenworth and Lake Wenatchee.
Link Transit	Urban	Solar power charging station for roof of Operations Base Building	
Link Transit	Urban	East Wenatchee Mall parking/transfer center environmental & design	

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Link Transit	Urban/Rural	New Paratransit scheduling software	
Link Transit	Urban	Miscellaneous Crosswalk Improvements to improve bus stop accessibility	
Link Transit	Urban/Rural	Environmental Clearances for Proposed Projects	
Mansfield	Rural	Airport Road	Reconstruction
Mansfield	Rural	Douglas Street	Minor widening from First Avenue to Railroad Avenue
Mansfield	Rural	Hamilton Street	Minor widening from First Avenue to Railroad Avenue
Mansfield	Rural	Walnut Street	Minor widening from Second Avenue to Railroad Avenue
Mansfield	Rural	Douglas Street	Minor widening from Second Avenue to Third Avenue
Mansfield	Rural	Second Avenue	Reconstruction from Mansfield Boulevard to Main Street
Mansfield	Rural	West 3rd	Minor widening from Main to Mansfield Boulevard
Mansfield	Rural	East 3rd	Minor widening from Main to Simpson
Mansfield	Rural	East 2nd	Minor widening from Main to Hamilton
City of Okanogan	Rural	2nd Avenue South and North Reconstruction Project	Gordon Street South to Greta Street North, 12 ft. curb and gutter, 5 ft. sidewalk, removal of overhead power, installation of underground power, replacement of water valves, addition of watermain from Legion Park to Greta Street. Mew water service connection to Legion.
City of Okanogan	Rural	Various Streets - Sidewalk Repair	Replace existing sidewalk to make repairs for safety issue such as misalignment and deterioration because of longevity.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
City of Okanogan	Rural	Phase 1 - Third Avenue North HMA Prelevel and Overlay	Hot mix asphalt prelevel and overlay with the installation of a new 8 inch C-900 PVC water main. Revise drainage issues with storm water drainage facilities install sidewalk on east side with curb on both sides and a bike awareness from Oak Street to Linden Street.
City of Okanogan	Rural	Phase 2 - 3rd Avenue North Reconstruction	Hot mix asphalt prelevel and overlay with the installation of a new 8 inch C-900 PVC water main. Revise drainage issues with storm water drainage facilities install sidewalk on east side with curb on both sides and a bike awareness from Linden Street to King Street.
City of Okanogan	Rural	Linden Street Reconstruction	Remove present chip seal road surface excavate 6 inch and replace with 4 inch of base course and 2 5.8 inches crushed top course and repave with 2 inch lift of hot mix asphalt.
City of Okanogan	Rural	Phase 3 - 3rd Avenue North Reconstruction	Hot mix asphalt prelevel and overlay with the installation of a new 8 inch C-900 PVC water main. Revise drainage issues with storm water drainage facilities install sidewalk on east side with curb on both sides and a bike awareness from King Street to June Street.
City of Okanogan	Rural	Phase 4 - 3rd Avenue North Reconstruction	Hot mix asphalt prelevel and overlay with the installation of a new 8 inch C-900 water main. Revise drainage issues with storm water drainage facilities install sidewalk on east side with curb on both sides and a bike awareness from June Street to Irene Street.
City of Okanogan	Rural	Phase 5 - 3rd Avenue North Reconstruction	Hot mix asphalt prelevel and overlay with the installation of a new 8 inch C-900 water main. Revise drainage issues with storm water drainage facilities install sidewalk on east side with curb on both sides and a bike awareness from Irene Street to Harley Street.
City of Okanogan	Rural	Phase 6 - 3rd Avenue North Reconstruction	Hot mix asphalt prelevel and overlay with the installation of a new 8 inch C-900 water main. Revise drainage issues with storm water drainage facilities install sidewalk on east side with curb on both sides and a bike awareness from Harley Street to Gretta Street.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
City of Okanogan	Rural	Sport Complex Trail - Railroad Avenue North	Walking path from the Oak Street Bridge entrance to the city to the sports complex facility. A railroad crossing (over the tracks, under tracks, or across tracks with a warning signal). Road improvement for access to RV park n Railroad Avenue North.
City of Okanogan	Rural	Railroad Avenue North Street Reconstruction	Increase pavement width and address storm runoff. Curb, gutter and sidewalk on both sides of road. Top coarse material added in the areas additional width.
City of Okanogan	Rural	Mill Street Sidewalk	Construct a 5 foot wide sidewalk along the southside of Mill Street to the existing new sidewalk on 5th Avenue south to the residential area across the Mill Street Bridge sidewalk and continue west to 8th Avenue south.
City of Okanogan	Rural	Maple Street Reconstruction	Replace asbestos/concrete water main with new upsized 8 inchC-900 PVC water main. Remove existing PUD power poles and install primary power underground. Remove all previous chip seal surfacing and excavate 6 inch deep.
City of Okanogan	Rural	Seattle Street Sidewalk & ADA Ramps	Construct new sidewalks with ADA ramps from 2nd Avenue south to 5th Avenue south.
City of Okanogan	Rural	Railroad Avenue Reconstruction	Acquire right-of-way and resurface Railroad Avenue from Pine Street to deadend.
City of Okanogan	Rural	2nd Avenue North/SR 215	Traffic revision from Oak Street to Pine Street.
City of Okanogan	Rural	Retaining Wall Sidewalk Continuation	Rock retaining wall with curb and sidewalk. Retaining wall, curb and sidewalk to continue from existing sidewalk on Orchard grade uphill on the west side of Highland to Viewmont approximately 300 feet.
Okanogan County	Rural	Little Nespeleum River Bridge Replacement	Replace existing concrete bridge structure with open bottom arch plate.
Okanogan County	Rural	Burdett Street Culvert Replacement	Replace existing culvert with open bottom arch plate.
Okanogan County	Rural	Columbia River Road Slope Stabilization	Stabilize and protect roadway slope by constructing retaining wall along approximately seven tenths of a mile of Columbia River Road.
Okanogan County	Rural	Toroda Creek Road	Grind existing chip seal, apply cement treated base and apply 2" overlay from MP 0.00 to MP 4.40.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Okanogan County	Rural	Chesaw Road (Nine Mile Rd to Molson Rd)	Grind existing chip seal, apply cement treated base and Class D chip seal from MP 6.46 to MP 9.79.
Okanogan County	Rural	Duck Lake Rd (Ross Canyon to Miller Rd)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. Install guardrail on grade section of project.
Okanogan County	Rural	Conconully Road (7 Devils Section)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. Guardrail installed where necessary from MP 11.80 to MP 13.80.
Okanogan County	Rural	Old 97 (Driskel Rd to Verestar Rd)	Minor realignment, widening, grade, drain, ballast, top course and hot mix asphalt or chip seal. Guardrail may be necessary on short grade section.
Okanogan County	Rural	Conconully Road (Kermel Rd to Irrigation Ditch)	Minor realignment, widening, grade drain, ballast, top course and chip seal.
Okanogan County	Rural	Chesaw Road (Rise Rd to Dry Gulch Rd)	Minor realignment, widening, grade, drain, ballast, top course, and chip seal. Install guardrail where warranted.
Okanogan County	Rural	Highway 7 (Grillo Section)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. Guardrail installed where warranted.
Okanogan County	Rural	Robinson Canyon (Nichols Rd to Omak Airport)	Minor realignment, widening, grade, drain, ballast, top course and chip seal or hot mix asphalt.
Okanogan County	Rural	Old Riverside Hwy (Omak City Limits to Airport Rd)	Minor realignment, widening, grade, drain, ballast, top course and chip seal.
Okanogan County	Rural	Omak Airport Rd (Airport to Old Riverside Hwy)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. May need guardrail on short grade section.
Okanogan County	Rural	Chesaw Road (Dry Gulch Rd to Havillah Rd)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. Install guardrail where warranted.
Okanogan County	Rural	Highway 7 (SR 97 to MP 1.70)	Minor realignment, widening, grade, drain, ballast, top course and chip seal.
Okanogan County	Rural	Highway 7 (Middle School)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. Install guardrail as warranted.
Okanogan County	Rural	Highway 7 (Bridge South Section)	Minor realignment, widening, grade, drain, ballast, top course and chip seal. Install guardrail or replace guardrail where warranted.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Okanogan County Transportation and Nutrition	Rural	Dial-a-Ride Service	Transportation service offered in 6 areas (Brewster/Pateros/Bridgeport; Omak/Okanogan/Malott/Riverside; Tonasket; Oroville; Twisp/Winthrop. Service level is different in all areas but only offered Monday through Friday. No weekend service.
Okanogan County Transportation and Nutrition	Rural	Omak/Okanogan Shuttle	Deviated/fixed route offered in the Omak/Okanogan area Monday through Friday. A loop every hour between Omak and Okanogan.
Okanogan County Transportation and Nutrition	Rural	Employment Options (JARC)	Routes offered Monday through Friday. Three round trips daily, Monday through Friday, between Omak and Oroville with stops at towns in between. Two round trips daily, Monday through Thursday, between Omak/Bridgeport/Brewster.
Okanogan County Transportation and Nutrition	Rural	Commuter Route	Two round trips daily, Monday through Friday, between Omak/Colville Indian Agency/Coulee Dam, with additional stops as necessary.
Okanogan County Transportation and Nutrition	Rural	Future Route with additional funding	Route between Omak/Twisp/Winthrop daily, Monday through Friday. Two round trips to start, with the possibility of a third- depending on ridership.
Omak	Rural	Central Avenue Bridge Replacement	Replace Central Avenue Bridge over Okanogan River
Omak	Rural	Omak Avenue/Central Avenue Sidewalk	Construct sidewalk along Omak Avenue from Hanford Street to the Okanogan River bridge and then from Birch to Cedar Streets along Central Avenue.
Omak	Rural	Engh Road/Highway 97 Intersection	Widen and provide three lane profile on Engh Road west bound from River Road to Highway 97 to eliminate traffic congestion.
Omak	Rural	Quince Street Three Lane Profile	Widen Quince Street at intersection with Riverside Drive/SR 215 to allow dedicated left and right turn lanes from Quince to Riverside Drive/SR 215.
Omak	Rural	Quince Street Extension	Extend Quince Street to connect between Koala Street and Shumway Road. Include curb, gutter and sidewalks both sides.
Omak	Rural	Quince Street Traffic Light	Install traffic light at Quince/Riverside SR 215 intersection.
Omak	Rural	Jasmine Street Intersection	Design and reconstruct a new intersection and alignment for the intersection of Jasmine Street and SR 215/Okoma Drive.

NCW Regional Transportation Improvement Program

Planned Projects: 2012-2018

Jurisdiction	Urban or Rural	Project Title	Description
Omak	Rural	Jasmine Street Resurfacing	Resurface Jasmine Street from Fourth Avenue to SR 215/Okoma Drive.
Omak	Rural	Sandflat - Highway 97 Intersection	Pave and install curb on portion of Sandflat Road adjoining city property in conjunction with Okanogan County to complete the road requirements for the county shop building.
Omak	Rural	East Leg Shumway	Construct fourth leg of Shumway/Highway 97 intersection and connect to Sandflat Road or Enterprise Drive.
