Evaluation & Ranking Criteria Questionnaire:		
<i>(Respond on separate page; be clear and concise)</i>		<u>Points</u>
1) Overall strength of project within its specific eligibility category(s)		0 – 4
	<i>Describe how your proposal meets the intent of the appropriate eligibility category (or categories), and of the overall Transportation Enhancements program. The Transportation Enhancements program is a key funding resource for implementation of the new USDOT/HUD/EPA "Livability Principles" – identify if and how your project furthers these additional federal objectives.</i>	
2) Regional Significance		0 – 3
	<i>Make the case for how and why your project benefits your community, neighboring communities and the region in general; specifically identify the potential for your project to strengthen the local or regional economy; and identify the anticipated beneficiaries of your project.</i>	
3) Demonstrated community support		0 – 1
	<i>One point will be awarded to proposals that demonstrate broad community support. This is best evidenced by letters of support from other agencies, organizations, community groups, etc. Additional information about project development history and public involvement is helpful.</i>	
4) Project identified in an existing, adopted plan or capital program.		0 – 1
	<i>One point will be awarded to proposals that implement projects that have already been through, and included in a community planning process. This is best demonstrated by inclusion in an existing plan or capital improvement program. Please reference or provide copy of the project's description in the relevant document.</i>	
5) Continuing or final construction phase of an ongoing project		0 – 1
	<i>One point will be awarded to proposals that follow through on past commitments and priorities by continuing or completing an ongoing project. Provide adequate explanation of all past and any future phases.</i>
